Annex I

COOKIE POLICY

Person responsible for the treatment

Integer Consulting, S.A., with registered office at Rua Julieta Ferrão nº10 8º Piso 1600-131 Lisbon, corporate taxpayer no. 507969332, is responsible for the treatment of personal data, which may be contacted through the available contacts on the website or by e-mail rgpd@integer.pt.

Scope

In order to help you navigate Integer's website and provide a better service to the user, we use cookies to improve performance and your user experience, as well as the quality of information you access and your user experience.

What type of cookies do we use?

Our website uses the following types of cookies:

- Technical cookies: they allow the user to navigate on the webpage and the use of different options or services therein, for example, control traffic and data communication, identify the session, access to the restricted parts, etc.
- Preference/personalisation cookies: they allow the user to access the service with some predefined general characteristics such as, for example, the language, the type of browser through which the user accesses the service, the regional configuration from where they access the service, etc.
- Analysis cookies (statistical and marketing): they are used to monitor and analyse user behaviour. They are used in measuring web activity, drawing up browsing profiles, etc.

What type of cookies do we use on our website?

The cookies used on **INTEGER's** website are the following:

Name	Ownership	Purpose	Duration

Setting cookies

Most browsers indicate how to configure it to not accept cookies, to notify the user each time they receive a new cookie, as well as to disable them completely. You can configure the browser to control how you want your information to be used.

In any case, we would like to point out that if technical and/or operational cookies are disabled, the quality of the site may diminish or cost more to identify the user.

You can configure cookies in the "options" or "preferences" menu of the browser.

To learn more about cookies, visit www.aboutcookies.org, where you can find information on how to manage your settings for the various browser providers, block and remove cookies.

Operability of the policy

The INTEGER website only uses functional cookies, technical cookies and analytical cookies.

When you got to Integer's webpage for the first time, or when you have not yet consented to the use of cookies, a dialogue box appears in the form of a disclaimer informing and requesting consent to the use of analytical cookies: Preferences and Statistics.

The text in the disclaimer is as follows:

WE USE COOKIES TO IMPROVE THE NAVIGATION ON OUR WEBSITE.
COOKIES HELP US UNDERSTAND HOW VISITORS USE OUR WEBSITE AND HELP US IMPROVE OUR WEBSITE AND OPTIMISE OUR CONTENT.
IF YOU WISH, YOU CAN CHANGE YOUR COOKIE SETTINGS AT ANY TIME.
<button1> CHANGE COOKIE SETTINGS <button1>
[___] Strictly Necessary Cookies (4)
[___] Preference Cookies (2)
[___] Statistics Cookies (3)
<button2> ACCEPT ALL <button2>

🍪 **Cookie Policy**

We use cookies for the purpose of improving the navigation on our website. Cookies help us understand how visitors use our website and help us improve our website and optimize our content. If you wish, you can change your cookie settings at any time.

Change Cookie Settings   Accept All

The "STRICTLY NECESSARY COOKIES (4)" option cannot be changed.

Whenever you choose <button1>, it allows you to select the cookies you want. Whenever you choose <button2>, all cookies are activated.

If you have any questions
If you have any questions or would like to know more about how we treat personal data or about our information security practices, please do not hesitate to contact us at our address or by e-mail rgpd@integer.pt

Amendments to Cookie Policy
Integer reserves the right at all times, without prior notice and with immediate effect, to amend this Cookie Policy in whole or in part.

Any changes will be immediately disclosed on the Platforms, so we advise you to consult this page regularly to keep up to date.
